### To be eligible for a Southeastern Indiana REMC 2012 rebate, all homeowners must:

- Complete a rebate request form
- Provide proof of purchase for equipment
- Sign consent form
- Participate in the Demand Side Management Program

Deadline to apply for 2012 Rebate Program is Dec. 1, 2012

To receive a rebate for central air conditioner and heat pumps, all homeowners must provide ARI (Air Conditioning and Refrigeration Institute) certification # for all SEER ratings. This certification # can be obtained from the installing heating and cooling dealer. No rebate will be awarded based on HVAC dealer bid specifications, promotional material of dealer, manufacturer or any other source. **The ARI certification # must be submitted.**

Also as a condition of receiving this rebate, I am willing to participate in the future installation of load control devices on these rebated appliances to allow Southeastern Indiana REMC the opportunity to engage in future energy management load control procedures.
