SCHEDULE GP - GREEN POWER

OPTIONAL RENEWABLE ENERGY RIDER

AVAILABILITY

This Rider is available to consumers receiving service under Schedule A-5 Non-Commercial Electric Service. This Rider is for the purchase of energy from renewable resources (predominantly landfill methane gas generation). Consumers requesting service under this optional Rider must remain on the Rider for a minimum of 12 months. Southeastern Indiana REMC reserves the right to limit the total number of participants under this Rider.

RENEWABLE RESOURCES

Energy sold pursuant to this Rider is generated using renewable resources. While the Cooperative expects that power generated from renewable resources will be readily available on the wholesale market, the Cooperative makes no guarantee that such resources will be available at all times. If the Cooperative determines that for any reason that renewable resources are unavailable or insufficient to furnish the retail consumer purchases hereunder, the Cooperative may suspend application of this Rider. When the renewable resources again become available, the Cooperative may resume application of this Rider.

SUPPORT OF ENVIRONMENTAL ACTIVITIES OR ORGANIZATIONS

The Cooperative will support through net revenues generated by application of this Rider the following:

- Research and development of new renewable resources, through not-for-profit organizations
- Environmental education, or
- Other local activities or programs of which the purpose is consistent with protecting the environment.

MONTHLY RATE

In addition to the total charges determined under the concurrent rate schedule applicable to the consumer, the following charge shall apply:

Renewable energy will be billed in increments of 100 kWh blocks, up to a total 1,000 kWh block at a rate of \$.020 per kWh.

Over 1,000 kWh per month: Not available.

TERMS OF PAYMENT

This Rider is subject to the payment options and terms of payment as set forth on the concurrent rate.

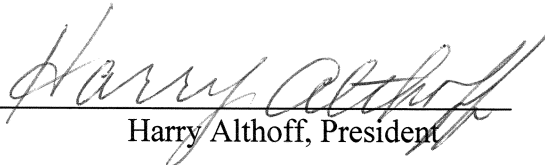

SEPARATE AGREEMENT REQUIRED

Consumer shall execute a separate green power "Enviro-Watts" Agreement included with this rider as Attachment "1".

OTHER TERMS AND CONDITIONS

Except as stated in this Rider, all Terms and Conditions of Service as set forth in the concurrent rate that qualifies the consumer for the renewable energy program shall apply to service provided under this Rider.
