

Boundary Modification between Southeastern Indiana Rural Electric Membership Corporation and Duke Energy Indiana, LLC

June 5, 2026

Southeastern Indiana REMC and Duke Energy agree to a boundary modification whereby the area depicted on the attached Facet Map V-25 and identified as **Exhibit A** will become the certified electric service territory of Southeastern Indiana REMC.

1. In accordance with Ind. Code § 8-1-2.3-6(2) Duke Energy hereby agrees to the rendering by Southeastern Indiana REMC of retail electric service to that certain crosshatched area depicted on the attached Facet Map V-25, the property owned by Ronald E. Konkle and Doris L. Konkle, bearing parcel number 39-02-30-000-005.001-013, and further identified as **Exhibit A**, which is otherwise currently within the certified service territory of Duke Energy, as such boundary was approved by the Indiana Utility Regulatory Commission ("Commission") on February 22, 1984 Final Order in Cause No. 36299-S225(X).
2. Duke Energy relinquishes its right to furnish retail electric service to only the crosshatched area on the attached Facet Map V-25, and further identified as **Exhibit A**. Duke Energy further relinquishes its right to bring an action in any court to enjoin Southeastern Indiana REMC from rendering or extending such retail electric service in said crosshatched area.
3. In accordance with Ind. Code § 8-1-2.3-6(2) Southeastern Indiana REMC and Duke Energy hereby agree to boundary modifications depicted on the attached Facet Map V-25 and the more detailed map identified as **Exhibit A**. It is further agreed between the Parties that Southeastern Indiana REMC, as the utility gaining the service territory in this boundary modification, will be preparing and filing the necessary paperwork, including publishing the Legal Notice, with the Commission within the next fourteen (14) days from the later executed date of this Letter Agreement, as approved and executed below, in order to secure Commission approval of this agreed to boundary modification. It is further agreed between the Parties that Southeastern Indiana REMC will not provide service in the crosshatched area depicted on the attached Facet Map V-25 and the more detailed map identified as **Exhibit A** until such boundary modification has been approved and so Ordered by the Commission.
