**Reminder:** Always plug space heaters directly into a wall outlet, never into extension cords or power strips, to avoid overheating and fire risks.

## **Avoid the \$2 PAPER BILL FEE and Enroll in PAPERLESS BILLING**

Southeastern Indiana REMC will implement a \$2 monthly fee for members who choose to receive printed bills. This fee helps cover rising costs for printing and postage while promoting paperless billing as a cost-effective, sustainable option. By encouraging digital billing, we reduce operational expenses, delay potential rate increases, and align costs with the preferences of individual members.

Members who switch to paperless billing can avoid this fee while enjoying the convenience of accessing their bills anytime through SmartHub, with no obligation to pay online. To enroll, simply log in to your SmartHub account and enable paperless billing. If assistance is needed, our member service team is here to help!
