

# OPTIMIZE YOUR COMFORT & SAVE

Keeping your home comfortable and energy-efficient starts with a well-maintained HVAC system. With [Southeastern Indiana REMC's HVAC Tune-Up Rebate](#), you can save money while ensuring your heating and cooling system runs at peak performance.

Get up to **\$50 back** when you have a professional tune-up performed on your existing air-source heat pump or central air conditioning system.

## HOW TO QUALIFY:

1. Schedule a professional HVAC tune-up.
2. Submit your rebate application with proof of service.
3. Enjoy a more efficient system and extra savings!

Don't wait—give your HVAC system the care it needs and put money back in your pocket.
