

2025

SCHOLARSHIP WINNERS

At Southeastern Indiana REMC, we believe that investing in education is one of the most meaningful ways we can support the future of our communities. That's why each year, we award scholarships to help local students pursue their academic goals and build brighter futures.

Our scholarship program is one of the many ways we give back to the members we serve. By supporting students who live in our service territory, we're not only encouraging their individual success, but also helping to strengthen the communities we call home.

Isabel Pearson

Isabel Raab

Toby Stevens

This year's recipients represent a variety of schools and backgrounds, but all share the promise of potential and the drive to make an impact. We are proud to recognize:

- Isabel Pearson, South Dearborn High School
- Isabel Raab, Batesville High School
- Toby Stevens, a homeschooled student from Moores Hill

We congratulate each of them and wish them all the best as they take the next step in their educational journeys. At SEI REMC, our commitment goes beyond providing electricity, we're proud to help power the future, one student at a time.
