

"Co-op Days" is a month-long celebration during the month of October to highlight how Southeastern Indiana REMC supports its members and the local community. Join us in celebrating you, our members, through fun, engaging, and community-oriented activities.

Throughout October, stop by our front office to pick up a special token of our appreciation!

Your membership means the world to us, and this is our way of saying thank you!

Food Drive

SEI REMC will be hosting a month-long food drive this October. We encourage our members to contribute non-perishable foods, which will be donated to food banks across the seven counties we serve.

Stop by our office anytime between 7:30 a.m. and 4:30 p.m. to drop off your donations.

712 S Buckeye Street
Osgood, IN 47037

Together, we can make a meaningful difference for those in need.
