## 2025 ANNUAL MEETING

This year, Southeastern Indiana REMC introduced a new, on-demand format for the 2025 Annual Meeting, making it easier than ever for members to stay informed. Beginning April 1st, all Annual Meeting materials, including video reports, financial updates, and cooperative news, were made available online at [seiremc.com/annualmeeting](http://seiremc.com/annualmeeting). If you haven't had a chance to check them out yet, there's still time to catch up at your convenience!

To help members get to know the candidates running for the Board of Directors in Districts 4, 5, and 9, we also hosted a Meet the Candidates event live on Facebook on April 3rd. If you missed it, you can still watch the recording on our Facebook page to learn more about the individuals who are helping shape the future of the cooperative.

Even though the Annual Meeting has gone virtual, your engagement remains just as important. If you haven't already, take a moment to explore the updates and see what's ahead for Southeastern Indiana REMC. Thank you for staying involved and for being a valued member of your cooperative!

### ELECTRICAL SAFETY TIP:

Reduce Electrical Risks!**

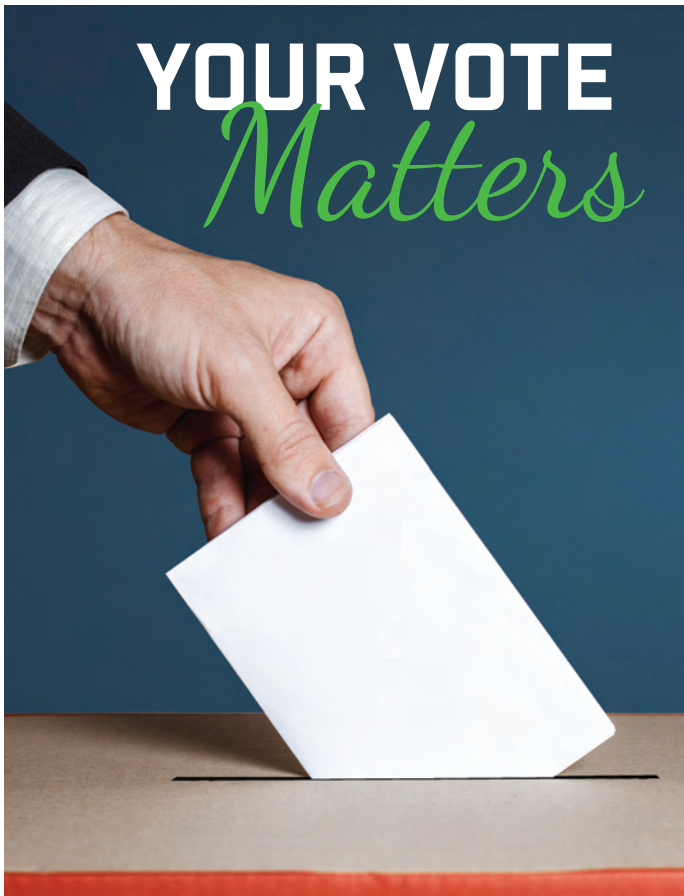

**Tip:** Unplug appliances when not in use to prevent overheating and reduce fire hazards.

**Reminder:** Never yank cords from outlets - pull the plug instead to prevent wire damage.
