HVAC TUNE-UP (Up to \$50)

Air source heat pumps, geothermal heat pumps and central air conditioning systems

HVAC unit must be located in a primary residence served by Southeastern Indiana REMC. Unit must be 3 or more years old and not have an existing preventative maintenance contract or agreement. The tune-up must be performed by a licensed HVAC contractor with itemized receipt. Members must submit a copy of the AHRI certificate.

One rebate per member household per calendar year.

Rebates for qualifying service are the lesser of \$50 or 50% of purchase price. The cooperative has the right to deny rebate if terms and conditions are not met. **Application must be received by Southeastern Indiana REMC by December 15, 2023 and within 90 days of the rebated equipment's service date in order to qualify for the 2023 Rebate Program.**

Total Project Invoice Cost: _____

If the rebate will be mailed to the contractor instead of being claimed by the member, please complete the following section:

Member Applicant Assignment of Payment to Non-Applicant/Contractor/Vendor:

By initialing and checking below, I assign the full incentive amount pursuant to this application to the individual or entity designated as "Contractor" listed above and agree that such assignment can only be amended or modified in writing acknowledged by Southeastern Indiana REMC and Hoosier Energy, and further agree to hold harmless and indemnify Southeastern Indiana REMC and Hoosier Energy from any claim made for such incentive amount or from any loss resulting from the payment of the incentive amount to the assignee.

Make rebate payment to Contractor/Vendor Member Applicant Initials: _____

Please read the 2023 Residential Rebate Application Terms and Conditions and sign below to indicate you understand and agree:

For Office Use Only	REMC CUSTOMER #	METER #	TOTAL REBATE AMOUNT	EECP DATE

The checklist below is a minimum of what your contractor should check for when performing a tune-up. Some contractors will include a list of items they inspected or did for the tune-up on their receipt.

OUTDOOR

- Inspect safety disconnect
- Check refrigerant lines
- Check refrigerant caps
- Check refrigerant levels
- Inspect reversing valve (if applicable)
- Inspect and/or clean outdoor unit coil and wiring
- Inspect unit is level and draining properly
- Inspect fan blade balance
- Inspect capacitor

INDOOR

- Inspect indoor unit coil
- Inspect filter
- Examine blower
- Inspect insulation on refrigerant lines
- Test indoor capacitor
- Inspect condensation drain
- Check static air pressure
- Inspect thermostat
- Lubricate system

1. All rules and requirements of this program have been followed.
2. Applicant has read and agrees to the Residential Rebate Program Terms and Conditions at seiremc.com.
3. Applicant is a residential member of Southeastern Indiana REMC.
4. A certified HVAC contractor did complete a HVAC tune-up service prior to submission of this application.
5. Southeastern Indiana REMC is providing the electric service to the installation site address listed on this application. Rebated equipment is installed in the primary residence of the applicant.
6. Applicant understands and agrees that neither Hoosier Energy nor Southeastern Indiana REMC assumes any responsibility or liability arising out of or related to applicant's participation in rebate programs.
7. Applicant will allow inspection of the rebated equipment (if requested).
8. Applicant understands applicant will not receive a rebate if applicant and/or applicant's contractor fails to provide required program documentation.
9. Applicant agrees to purchase power from Southeastern Indiana REMC for a period not less than the deemed measured useful life of rebated equipment. Should the applicant receive power from any source other than the electric cooperative, including generation owned by the customer, before the end of the equipment's deemed useful life, the applicant agrees to refund the full amount of the rebate to the distribution cooperative.
10. Applicant gives permission to Hoosier Energy to obtain usage information from their electric cooperative. Applicant understands that Hoosier Energy may use the usage information provided for program evaluation and analysis. If signing in a capacity other than an individual capacity, the individual signing hereby represents and warrants that s/he is duly authorized to execute and deliver this application on behalf of the applicant.
11. Southeastern Indiana REMC reserves the right to approve, deny or select the appropriate rebate amount.
12. Applications must be received within 90 days of the rebated equipment's service date in order to qualify for the 2023 rebate program.
13. Applications received by Southeastern Indiana REMC between December 16, 2022 and December 15, 2023 are eligible for the 2023 Rebate Program. Applications received after December 15, 2023 will be processed under the 2024 Rebate Program requirements.
