Water heater type? Heat Pump Hybrid

WATER HEATER REBATE (Up to \$500)

Rebate for a new constructed water heater or replacing another water heater (gas or electric). Rebate available only for Heat Pump or Hybrid Water Heaters, minimum 40 gallon all-in-one units. There is no incentive for electric resistance tank or tankless water heaters. Rebated equipment must be installed in primary residence.

Limit of 2 water heater rebates per member household per life of the rebated equipment. All homeowners must complete a rebate application form and provide proof of purchase to receive any 2023 rebate. **Application must be received by Southeastern Indiana REMC by December 15, 2023 and within 90 days of the rebated equipment's installation date in order to qualify for the 2023 Rebate Program.**

The cooperative reserves the right to approve, deny or select the appropriate rebate. The co-op also reserves the right to inspect and verify installation of equipment receiving a rebate.

Total Project Invoice Cost: _____

If the rebate will be mailed to the contractor instead of being claimed by the member, please complete the following section:

Member Applicant Assignment of Payment to Non-Applicant/Contractor/Vendor:

By initialing and checking below, I assign the full incentive amount pursuant to this application to the individual or entity designated as "Contractor" listed above and agree that such assignment can only be amended or modified in writing acknowledged by Southeastern Indiana REMC and Hoosier Energy, and further agree to hold harmless and indemnify Southeastern Indiana REMC and Hoosier Energy from any claim made for such incentive amount or from any loss resulting from the payment of the incentive amount to the assignee.

Make rebate payment to Contractor/Vendor Member Applicant Initials: _____

1. All rules and requirements of this program have been followed.
2. Applicant has read and agrees to the Residential Rebate Program Terms and Conditions at seiremc.com.
3. Applicant is a residential member of Southeastern Indiana REMC.
4. The rebated equipment was installed and operational prior to submission of this application.
5. Southeastern Indiana REMC is providing the electric service to the installation site address listed on this application. Rebated equipment is installed in the primary residence of the applicant.
6. Applicant understands and agrees that neither Hoosier Energy nor Southeastern Indiana REMC assumes any responsibility or liability arising out of or related to applicant's participation in rebate programs.
7. Applicant will allow inspection of the rebated equipment (if requested).
8. Applicant understands applicant will not receive a rebate if applicant and/or applicant's contractor fails to provide required program documentation.
9. Applicant agrees to purchase power from Southeastern Indiana REMC for a period not less than the deemed measured useful life of rebated equipment. Should the applicant receive power from any source other than the electric cooperative, including generation owned by the customer, before the end of the equipment's deemed useful life, the applicant agrees to refund the full amount of the rebate to the distribution cooperative.
10. Applicant gives permission to Hoosier Energy to obtain usage information from their electric cooperative. Applicant understands that Hoosier Energy may use the usage information provided for program evaluation and analysis. If signing in a capacity other than an individual capacity, the individual signing hereby represents and warrants that s/he is duly authorized to execute and deliver this application on behalf of the applicant.
11. Southeastern Indiana REMC reserves the right to approve, deny or select the appropriate rebate amount.
12. Applications must be received within 90 days of the rebated equipment's installation date in order to qualify for the 2023 rebate program.
13. Applications received by Southeastern Indiana REMC between December 16, 2022 and December 15, 2023 are eligible for the 2023 Rebate Program. Applications received after December 15, 2023 will be processed under the 2024 Rebate Program requirements.
