

DMCA POLICY AND INFORMATION

Southeastern Indiana REMC has partnered with SEI Communications as the Internet Service Provider for our fiber customers. Southeastern Indiana REMC and SEI Communications are committed to complying with U.S. copyright and related laws and requires all customers and users of its websites and services (the “Service”) to comply with these laws. Accordingly, you may not store any material or content on, or disseminate any material or content over, the Service (or any part of the Service) in any manner that constitutes an infringement of third-party intellectual property rights, including rights granted by U.S. copyright law.

As the registered owner of all IP addresses used by Southeastern Indiana REMC’s fiber customers, SEI Communications is the primary contact for alleged copyright infringements. In appropriate circumstances, SEI Communications may suspend or terminate the Service provided to any customer or user who is either found to infringe third party copyright or other intellectual property rights, or who SEI Communications, in its sole discretion, believes is infringing these rights. SEI Communications may terminate the Service at any time with or without notice for any affected customer or user.

Please refer to the SEI Communications DMCA Policy and Information page at <https://policy.seidata.com/dmca> for complete information regarding alleged copyright infringements on the part of our fiber customers.
