### Volunteers needed for 2023 SEIREMC Director Election Nominating Committee

If you've been looking for a way to get involved with your REMC, serving as a nominating committee member from your district is an ideal place to start. The members of this committee help find qualified director candidates and oversee the voting process at the Annual Meeting.

In 2023, the members of Southeastern Indiana REMC will elect directors from districts one, seven, and eight for a three-year term on the board of directors. A total of three member-volunteers from each of these districts is required to be compliant with the bylaws of the corporation.

Qualified members should complete and submit the interest form, available on our website at [seiremc.com](http://seiremc.com), for consideration before November 1. The board of directors will review the list of submissions and appoint the Nominating Committee during the November 2022 board meeting.

**If you have any questions, please visit the annual meeting page on our website or contact B.J. Myers, Director of Communications and Creative Services, at 800-737-4111 ext. 236.**

## BE OUR GUEST

Please join us as we celebrate Member Appreciation Day on Friday, October 14th from 5-8 p.m. at the REMC headquarters in Osgood, Indiana. This "members only" event will feature tours of the new REMC campus, including the administrative building, mechanics garage, warehouse, truck bays, and pole yard. Attendees will also enjoy a free meal and a goody bag, compliments of the REMC.

The meal will be provided by The House of Brisket and dessert will be provided by Moore Sweets. Both vendors have a faithful following in the community and are looking forward to serving our members at this event.

**Proof of membership will be required for admission, so please bring your primary account number or a copy of your latest bill for registration purposes.**

IN THE MARKET FOR

# Electric Outdoor Equipment?

**YOU MAY RECEIVE UP TO \$50 IN REBATES IF YOUR EQUIPMENT IS ELIGIBLE!**

Rebates for qualifying purchase are the lesser of \$50 or 50% of purchase price. Eligible corded or battery equipment includes:

- lawnmowers (minimum of 36 volts)
- String trimmer
- Leaf blower
- Chainsaw
- snowblower
- Roto-tiller
- Pressure washer.

Completed rebate application and documentation must be received within 90 days of purchase date. Equipment purchased must be new and have a minimum one-year warranty. Reconditioned or refurbished equipment is not eligible.

Applications are processed on a first-come, first-served basis while funds are available. Rebates may take up to 6 weeks from receipt of the application by Southeastern Indiana REMC to process. Hoosier Energy has full discretion over the rebate and reserves the right to modify the program at any time.

All members must complete the Electric Outdoor Equipment Rebate Application form and provide proof of purchase to receive a rebate.

Application must be received by Southeastern Indiana REMC by December 15, 2022 and within 90 days of the rebated equipment's purchase date in order to qualify for the 2022 Rebate Program.

**Learn more at [www.seiremc.com/rebates](http://www.seiremc.com/rebates)**

FALL IN LOVE WITH

# FIBER

**Most of us have heard that fiber optic internet speed is better, but is it really faster and more reliable than what we have now?**

In a word, yes. It's the fastest and most reliable internet option available.

With major advantages, like no throttling, better TV picture quality, the ability to connect multiple devices simultaneously, and the same upload and download speeds, fiber is the clear choice when it comes to internet connection options.

SEI Fiber is changing the future of internet connectivity as we know it in rural southeastern Indiana. This future-forward technology is not easily influenced by external factors (like extreme weather conditions) and is environmentally friendly. It's faster than traditional cable, DSL, and satellite internet, and increases the value of your home.

Whether you are video chatting, doing your homework online, playing your favorite online games, or all of these simultaneously, you'll find plenty of reasons to FALL in love with SEI Fiber.

*Get the speed you want at a price you can afford with no contacts or data caps.*
