Contractor's Mailing Address: _____

Building type? Residential: Mobile/Manufactured Residential: Single Family

Occupancy status? Owner Renter Vacant Tenant Landlord

Construction type? New Construction Existing Home

Housing type? Stick-built or Modular Mobile or Manufactured Home Year Home was Built: _____

AIR SOURCE / DUAL FUEL HEAT PUMP REBATE

Rebate for a new constructed heat pump or replacing another electric resistance heat, gas, A/C or heat pump. Rebated equipment must be installed in primary residence.

MINIMUM EFFICIENCY REQUIREMENTS:

Stick-Built or Modular Housing SEER ≥ 16, EER ≥ 10 Mobile/Manufactured Housing SEER ≥ 14, EER ≥ 10

Mobile/manufactured homes are defined as factory assembled, transportable, designed for transportation on own chassis, can be placed on temporary or permanent foundation and intended for year-round occupancy. Modular homes must be residential single family homes.

HEAT PUMP REPLACING GAS, EXISTING A/C OR HEAT PUMP OR NEW CONSTRUCTION INSTALLATION (Up to \$750)

Dual/Variable/Multi-Speed Compressor ONLY. Units that do not qualify include: window air conditioners and "thru-the wall" heat pumps (hotel-type machines). Single speed compressors for mobile/manufactured homes only qualify.

HEAT PUMP REPLACING 100% ELECTRIC RESISTANCE HEAT (Up to \$1500)

Must be replacing primary heat source for entire home.

- SINGLE SPEED COMPRESSOR
- DUAL/VARIABLE/MULTI-SPEED COMPRESSOR

The following DO NOT qualify for 100% electric resistance replacement: Heat pump with electric resistance, space heaters, gas furnace, wood stove, wood pellet stove, A/C, back-up heat, generators.

Limit of two rebates per member household per life of the rebated equipment. Rebates for HVAC equipment are available for whole home installations only unless otherwise stated. To receive a rebate, all homeowners must provide AHRI (Air conditioning, Heating and Refrigeration Institute) validation for all SEER and EER ratings that can be obtained from the installing heating and cooling dealer. No rebate will be awarded based on HVAC dealer bid specifications, promotional material of dealer, manufacturer or any other source than AHRI. A certificate of AHRI-certified performance must be submitted.

All homeowners must complete a rebate application form and provide proof of purchase to receive any 2022 rebate. Application must be received by Southeastern Indiana REMC by December 15, 2022 and within 90 days of the rebated equipment's installation date in order to qualify for the 2022 Rebate Program.

The cooperative reserves the right to approve, deny or select the appropriate rebate. The co-op also reserves the right to inspect and verify installation of equipment receiving a rebate.

2022 Air Source or Dual Fuel Heat Pumps Rebate Application

Installation Date: _____

Installation Type:

- Replacing existing A/C or HEAT PUMP; or New Construction Install (ASHP, MSHP, or GHP heat pump type)
 - Existing home new HEAT PUMP install
 - New construction install
 - Replacing existing A/C
 - Replacing existing HEAT PUMP
- Replacing 100% Electric Resistance (HPRER or DMSHP heat pump type) HPRER must be primary heat source to home.

*Heat pump with electric resistance, space heaters, gas furnace, wood stove, wood pellet, A/C, back-up heat are not qualified.

What type of heat is being replaced?
(Required if replacing electric resistance)

- Electric coil furnace
- Baseboard
- Ceiling cable
- Other: _____

Heat Pump Type:

- Air Source (ASHP) (Up to \$750)
Dual/Variable/Multi-speed compressor is required. Single speed compressor for mobile/manufactured homes only qualify.
- Electric Resistance Replacement Air Source/Dual Fuel (HPRER)
 - Single Speed Compressor (Up to \$800)
 - Dual/Variable/Multi-Speed Compressor (Up to \$1,500)

Does the heat pump have a gas furnace (Dual Fuel):

- Yes
- No

Gas Furnace AFUE: _____

Fossil Fuel Type: _____

Note: HVAC contractor MUST indicate on the invoice, whether a single or dual/variable speed compressor was installed.

If the rebate will be mailed to the contractor instead of being claimed by the member, please complete the following section:

Member Applicant Assignment of Payment to Non-Applicant/Contractor/Vendor:

By initialing and checking below, I assign the full incentive amount pursuant to this application to the individual or entity designated as "Contractor" listed above and agree that such assignment can only be amended or modified in writing acknowledged by Southeastern Indiana REMC and Hoosier Energy, and further agree to hold harmless and indemnify Southeastern Indiana REMC and Hoosier Energy from any claim made for such incentive amount or from any loss resulting from the payment of the incentive amount to the assignee.

Make rebate payment to Contractor/Vendor Member Applicant Initials: _____

Please read the 2022 Residential Rebate Application Terms and Conditions and sign below to indicate you understand and agree:

Signature: _____ Date: _____ Invoice/Receipt and AHRI is Attached (Required)

1. All rules and requirements of this program have been followed.
2. Applicant has read and agrees to the Residential Rebate Program Terms and Conditions at seiremc.com.
3. Applicant is a residential member of Southeastern Indiana REMC.
4. The rebated equipment was installed and operational prior to submission of this application.
5. Southeastern Indiana REMC is providing the electric service to the installation site address listed on this application. Rebated equipment is installed in the primary residence of the applicant.
6. Applicant understands and agrees that neither Hoosier Energy nor Southeastern Indiana REMC assumes any responsibility or liability arising out of or related to applicant's participation in rebate programs.
7. Applicant will allow inspection of the rebated equipment (if requested).
8. Applicant understands applicant will not receive a rebate if applicant and/or applicant's contractor fails to provide required program documentation.
9. Applicant agrees to purchase power from Southeastern Indiana REMC for a period not less than the deemed measured useful life of rebated equipment. Should the applicant receive power from any source other than the electric cooperative, including generation owned by the customer, before the end of the equipment's deemed useful life, the applicant agrees to refund the full amount of the rebate to the distribution cooperative.
10. Applicant gives permission to Hoosier Energy to obtain usage information from their electric cooperative. Applicant understands that Hoosier Energy may use the usage information provided for program evaluation and analysis. If signing in a capacity other than an individual capacity, the individual signing hereby represents and warrants that s/he is duly authorized to execute and deliver this application on behalf of the applicant.
11. Southeastern Indiana REMC reserves the right to approve, deny or select the appropriate rebate amount.
12. Applications must be received within 90 days of the rebated equipment's installation date in order to qualify for the 2022 rebate program.
13. Applications received by Southeastern Indiana REMC between December 2, 2021 and December 15, 2022 are eligible for the 2022 Rebate Program. Applications received after December 15, 2022 will be processed under the 2023 Rebate Program requirements.
