NATIONAL CO-OP MONTH

SEIREMC OBSERVING NATIONAL CO-OP MONTH IN OCTOBER

Southeastern Indiana REMC is joining cooperatives nationwide this October to celebrate National Co-op Month, which recognizes the many ways cooperatives are committed to strengthening the local communities they serve. "Build Back for Impact" is the theme for this year's celebration, celebrating how cooperatives are working together to build resilient communities.

SEIREMC delivers electricity to 23,258 member-owners in southeast Indiana. Safely delivering reliable electricity and diversified services to the members and communities we serve

is our top priority. We are locally owned and operated and the revenue generated by SEIREMC goes back to our member-owners, not investors.

Rural America is served by a network of about 1,000 electric cooperatives, most of which were formed in the 1930s and 40s to bring electricity to farms and rural communities that large, investor-owned power companies had no interest in serving because of the higher costs involved in serving low-population and low-density areas.

In addition to providing the vital power co-op members

depend on, SEIREMC recently added another essential service division, SEI Fiber. This new division makes high-speed, fiber-to-the-home internet service available to the unserved and underserved residents and businesses located in our seven-county service territory. The project is already underway and, while the entire project is expected to take up to four years to complete, service is being provided to members as soon as the mainline construction and service drops are installed in each area.

Visit seiremc.com to learn more about the many resources and programs available exclusively for members of Southeastern Indiana REMC.

Follow #CoopMonth on Facebook and Twitter to see how co-ops across the country are celebrating National Co-op Month.

\$ prepaid

PAY WHAT YOU WANT,
WHEN YOU WANT.

What if paying your electric bill was like buying gas for your vehicle? It can be.

Southeastern Indiana REMC offers prepaid billing, a pay-as-you-go energy solution.

- › Choose your own payment schedule
- › Purchase electricity when convenient
- › Monitor electric use
- › Customize the plan that's best for you
- › No deposits, no late fees, no monthly bills

**PERKS OF
GOING
PAPERLESS**

WITH YOUR ELECTRIC BILL

Immediate access.

As soon as your bill is ready, you'll be notified via email or text. Getting the bill earlier means you'll have more time to pay it.

Curb the clutter.

Ensure your bill will never be lost and forgotten under that growing paper pile on your kitchen counter.

Protect your identity.

The security of knowing your bill won't accidentally end up in an identity thief's hands is worth making the switch to paperless billing.

Environmentally speaking.

By cutting back on paper use, you're helping preserve our natural resources.

Around the clock. Everyday.

Pay your bill 24/7 and access past bills whenever you need to.

Contact your electric cooperative today to say "yes" to "paperless!"
