FOR IMMEDIATE RELEASE

SOUTHEASTERN INDIANA REMC AWARDS OVER \$71,000 TO COMMUNITY PROJECTS

Osgood, Ind. – March 3, 2022

In February, Southeastern Indiana REMC awarded \$71,057 in Operation Round Up® grants to 33 recipients from across the cooperative's seven-county service territory.

Operation Round Up® is an ongoing charitable fundraising program to benefit worthwhile community projects. A nine-person volunteer board of trustees administers the funds, which are kept in the Southeastern Indiana REMC Community Fund until they are disbursed.

“These grants are made possible by the generosity of co-op members who opt to round their electric bill up to the next whole dollar each month” said Keith Mathews, General Manager. “This is a voluntary program. Members can opt in or out of the program at any time.”

Applicants must be 501C groups or organizations and must meet the eligibility requirements defined in the program guidelines. For the most part, funds will be granted to meet the needs of applicants that are not being met through other sources.

“These funds will not be used to pay utility bills, nor will they go towards political campaigns,” said Mathews.

The next opportunity to receive an operation round up grant is July 2022. Applications will be accepted during the month of June.

For more information about the Operation Round Up® program, visit <https://www.seiremc.com/operationroundup>.

Southeastern Indiana REMC, headquartered in Osgood, Indiana, is a not-for-profit distribution cooperative owned and controlled by its members. SEIREMC is committed to safely providing reliable electricity and diversified services to the members and communities it serves. The cooperative serves 24,000+ members in Dearborn, Franklin, Jefferson, Jennings, Ohio, Ripley and Switzerland counties. For more information about the cooperative, visit seiremc.com.
