Press Release

SOUTHEASTERN INDIANA REMC OPERATION ROUNDUP PROGRAM AWARDS OVER \$42,000 TO COMMUNITY PROJECTS

The seventh disbursement of “Operation Roundup” funds totaling \$42,267.00 has been awarded to 23 recipients from 7 counties comprising the REMC’s service territory. The 9-member Operation Roundup Board of Trustees met July 28th and determined that these 23 grant applications met all the requirements. The grant money is made possible through the generosity of the REMC membership by “rounding up” their monthly electric bill to the nearest dollar amount. The next opportunity to receive an Operation Roundup grant is scheduled for January 2021. Applications will be accepted in the month of December 2020. You can obtain more information about Operation Roundup program or download a grant application and guidelines at www.seiremc.com. The following projects received Operation Roundup funding:
